

- CDA follows the Forsyth County School and Dawson County School System's lead on all inclement weather days. In order to have a consistent closing policy, we make it simple by allowing them to make our decision. **Example: If Forsyth County Schools are closed – CDA is closed.**
- CDA builds in 2 additional (free) weeks of dance classes to the season each year. These are built in to the schedule so that in the case of inclement weather or unexpected closings, make-up classes are not needed. CDA teaches 36 weeks per season; however, tuition only runs 34 weeks per season. This builds in the two additional free weeks of class that you are not paying for; thus you are not losing tuition due to these days class is cancelled.
- Should your dancer miss more than 2 weeks of class due to inclement weather or unexpected closings, a make up class will be scheduled.
